An effective method for determining a price is to send out a survey to your current customers. If these prospects have already bought an ebook from you, ask for his or her opinion in terms of price.

Do this by making a sales web page for the brand new ebook, however do not include a price on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Ensure that your sales copy is strictly the identical on each web page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. This may inform you what your optimum worth is.

Finally, when you've written a guide that solves a problem or presents a new method, your e book will bring in each visitors and profits. So remember to write that selling-handle sentence that sums up what drawback your e-book solves and what the advantages of your 1010 e-book will be to the shoppers who buy it.
