Another technique is to check out costs by creating a number of duplicate sales pages with different prices on each page. Be sure your gross sales copy is exactly the similar on each page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum worth is.

Finally, for those who've written a e-book that solves a drawback or presents a new method, your guide will bring in each site visitors and profits.
