An effective approach for determining a worth is to send out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for his or her opinion by way of price. Do that by making a gross sales web page for the brand new guide, but don't embrace a price on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with totally different costs on every page. Be certain your gross sales copy is exactly the same on every page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum price is.
