This sentence states what question or downside your guide answers and the advantages your e book can provide. Then you'll want to use that sentence in each piece of gross sales and promotional materials, and every time anybody asks you about your ebook.

In addition to promoting your books assiduously on-line, there are several different methods that can enable you sell more books.

One is to present something away totally free along with your e-book, reminiscent of a useful bonus item. Or bundle several ebooks under one value, which lowers the worth for every book in the event that they had been sold separately.

An effective method for determining a worth is to send out a survey to your current customers. If these clients have already bought an book from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the brand new e-book, but don't embrace a worth on that page. As a substitute, add various links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by making a variety of duplicate gross sales pages with completely different costs on each page. Ensure your gross sales copy is precisely the same on each

web page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, if you happen to've written a guide that solves a drawback or presents a new method, your ebook will usher in both visitors and profits. So make sure to write that selling-deal with sentence that sums up what downside your book solves and what the benefits of your 1125 guide will be to the shoppers who buy it.
