An efficient approach for determining a value is to send out a survey to your current customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by making a sales web page for the brand new e-book, however do not include a value on that page. Make sure your gross sales copy is exactly the same on each page, and contains your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum price is.
