An efficient technique for figuring out a worth is to ship out a survey to your present customers. If these prospects have already bought an book from you, ask for his or her opinion by way of price. Do this by creating a sales web page for the new book, but don't include a worth on that page. Another strategy is to check out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Ensure that your gross sales copy is exactly the same on each web page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum value is.

Finally, in the event you've written an e book that solves a drawback or presents a brand new method, your e book will usher in both site visitors and profits. So make sure to write that selling-handle sentence that sums up what downside your e-book solves and what the advantages of your e book might be to the shoppers who buy it.
