Do that by creating a gross sales page for the brand new guide, however do not embody a worth on that page. Instead, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with totally different prices on every page. Ensure your gross sales copy is strictly the identical on every

page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum value is.

Ultimately, if you've written a ebook that solves a drawback or presents a new method, your ebook will bring in both traffic and profits.
