An effective technique for determining a value is to send out a survey to your present customers. If these prospects have already purchased an e book from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the brand new guide, however don't embody a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with completely different costs on each page. Be sure your sales copy is precisely the identical on each

page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, when you've written a ebook that solves a problem or presents a new technique, your guide will usher in both site visitors and profits.
