One other technique is to check out prices by making a variety of duplicate gross sales pages with different costs on each page. Be sure that your gross sales copy is exactly the similar on each web

page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum value is.

Finally, for those who've written a e book that solves a downside or presents a brand new technique, your guide will bring in each traffic and profits.
