Do that by creating a gross sales page for the brand new book, but don't embrace a worth on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with different prices on each page. Ensure that your sales copy is strictly the similar on each page, and

includes your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum worth is.

Finally, for those who've written a ebook that solves a problem or presents a brand new technique, your e book will bring in each traffic and profits.
