After you determine your goal, you will need to figure out what your audience's need is for your ebook. For example, does your guide solve a specific drawback? If it does, and solves it in a means that hasn't been written about in one hundred different ebooks, you can be capable of obtain high sales at a high price. In case your book solves an issue or answers questions in a new and unique means, you must value your guide as high as you may go. If you wish to see massive income over customer draw, purpose for an audience that is searching for straightforward solutions to their problems at a low price. If your ebook is aimed at fixing one

explicit downside rather than common advice, then you may cost more. Begin on the highest value the market will bear to bring in the largest earnings, and plan to low cost the e-book a number of instances throughout the year.

## Advertising and marketing Strategies

An effective method for determining a worth is to send out a survey to your current customers. If these prospects have already bought an ebook from you, ask for his or her opinion in terms of price.

Do this by making a sales web page for the new guide, however do not include a value on that page. As a substitute, add various links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with completely different prices on every page. Make certain your sales copy is exactly the same on every web page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum value is.

Ultimately, if you've written a guide that solves a downside or presents a new approach, your ebook will usher in both traffic and profits. So you should definitely write that promoting-handle sentence that sums up what problem your book solves and what the benefits of your 1561 ebook can be to the shoppers who buy it. After which watch your market come to you!
