If these customers have already purchased an e book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the new e book, however don't embrace a price on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Make sure that your gross sales copy is precisely the same on

each page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum worth is.

Finally, when you've written a e book that solves a downside or presents a brand new method, your book will usher in both site visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what problem your ebook solves and what the benefits of your 1648 ebook shall be to the shoppers who buy it.
