One other strategy is to test out costs by making a number of duplicate gross sales pages with totally different prices on each page. Make certain your gross sales copy is exactly the identical on each web page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum price is.

Finally, in case you've written a e book that solves a drawback or presents a new technique, your guide will usher in both visitors and profits.
