Another strategy is to test out prices by creating a variety of duplicate sales pages with totally different prices on each page. Be certain your gross sales copy is exactly the similar on each page,

and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum price is.

In the end, for those who've written a book that solves a downside or presents a brand new technique, your e-book will usher in each traffic and profits.
