Do that by making a sales web page for the new ebook, however do not include a value on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with different costs on each page. Be certain that your sales copy is exactly the same on every web page, and

consists of your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum value is.

In the end, in the event you've written a book that solves a downside or presents a brand new technique, your e book will bring in both traffic and profits.
