Do this by creating a sales page for the new guide, however don't embrace a worth on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with different prices on every page. Make certain your sales copy is strictly the same on every page, and

includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum value is.

In the end, in case you've written a ebook that solves a downside or presents a new approach, your book will usher in both site visitors and profits.
