If these customers have already bought an book from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the new book, however don't embody a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by creating a number of duplicate sales pages with completely different costs on every page. Be certain your gross sales copy is strictly the similar on each web

page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum price is.

In the end, when you've written a ebook that solves a problem or presents a brand new technique, your e book will bring in each visitors and profits.
