One is to offer one thing away free of charge with your e book, equivalent to a worthwhile bonus item. Or bundle a number of ebooks below one value, which lowers the price for every e book if they were bought separately.

An effective method for determining a worth is to send out a survey to your current customers. If these customers have already bought an book from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the brand new e-book, but don't embody a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with totally different costs on every page. Ensure your sales copy is strictly the identical on every

page, and contains your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum worth is.

Finally, in case you've written a guide that solves a downside or presents a new approach, your guide will herald both traffic and profits. So be sure you write that promoting-deal with sentence that sums up what drawback your e-book solves and what the advantages of your 2204 ebook will probably be to the shoppers who buy it.
