Do this by creating a gross sales web page for the new guide, but don't include a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Be certain that your sales copy is exactly the similar on

every web page, and consists of your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum price is.

Ultimately, in the event you've written a guide that solves a downside or presents a new method, your e-book will herald each traffic and profits. So be sure you write that selling-deal with sentence that sums up what drawback your guide solves and what the advantages of your 2325 e-book shall be to the customers who purchase it.
