Do that by making a sales page for the new e-book, however don't embrace a worth on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Be certain your sales copy is precisely the identical on

each web page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your website and gross sales of your book. This will inform you what your optimum worth is.

Ultimately, for those who've written a guide that solves a downside or presents a new approach, your guide will usher in each traffic and profits.
