If these customers have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the brand new ebook, but do not embrace a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with different costs on every page. Be sure your sales copy is strictly the similar on each page, and contains your

promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum value is.
