As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a variety of duplicate gross sales pages with totally different costs on each page. Ensure your gross sales copy is precisely the same on every

page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum price is.

In the end, in the event you've written a guide that solves a problem or presents a new approach, your guide will bring in both site visitors and profits.
