If these prospects have already bought an ebook from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the brand new e book, however don't embrace a price on that page. As an alternative, add various links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a number of duplicate gross sales pages with different costs on every page. Be sure that your gross sales copy is exactly the same on each web page, and consists of your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum value is.

Ultimately, when you've written a book that solves a drawback or presents a new technique, your e-book will usher in both visitors and profits.
