Do this by making a gross sales page for the new e book, however do not embrace a price on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with completely different prices on each page. Be sure your sales copy is exactly the identical on each

web page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum value is.

In the end, in case you've written a e book that solves a problem or presents a brand new approach, your e book will herald each traffic and profits.
