If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do that by creating a gross sales web page for the brand new book, however don't include a value on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with completely different prices on every page. Ensure your sales copy is strictly the similar on every

web page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum price is.

Ultimately, if you happen to've written a guide that solves a drawback or presents a new approach, your e book will bring in both site visitors and profits. So be sure to write that selling-handle sentence that sums up what problem your guide solves and what the benefits of your 2508 guide will likely be to the customers who purchase it.
