Do this by making a sales web page for the brand new e-book, but don't include a price on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with completely different costs on each page. Ensure that your gross sales copy is strictly the same on every page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum worth is.

In the end, in the event you've written a guide that solves a drawback or presents a new method, your e-book will herald each traffic and profits.
