Do that by making a sales web page for the brand new book, but don't include a price on that page. Another strategy is to test out costs by creating a variety of duplicate sales pages with different costs on every page. Be sure that your sales copy is exactly the same on each page, and includes

your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum price is.
