If you wish to see massive earnings over customer draw, aim for an audience that is in search of simple options to their issues at a low price. In case your e-book is aimed toward fixing one explicit problem slightly than basic advice, then you'll be able to cost more. Begin at the highest value the market will bear to usher in the largest earnings, and plan to low cost the e book a variety of times throughout the year.

An effective method for figuring out a value is to ship out a survey to your current customers. If these clients have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by making a sales web page for the brand new guide, but do not include a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.
