Do this by creating a sales web page for the new ebook, but don't embody a value on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with totally different prices on each page. Be certain your gross sales copy is strictly the same on every web

page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum value is.
