If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the brand new e-book, but do not embody a worth on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Ensure that your gross sales copy is strictly the same on each page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum worth is.

In the end, in the event you've written a book that solves a drawback or presents a new method, your e book will usher in each traffic and profits. So be sure to write that selling-handle sentence that sums up what downside your ebook solves and what the benefits of your 272 e book shall be to the customers who buy it.
