and the advantages your ebook can provide. Then make sure you use that sentence in each piece of sales and promotional materials, and each time anyone asks you about your ebook.

One is to give one thing away totally free with your ebook, akin to a beneficial bonus item. Or bundle several ebooks underneath one price, which lowers the worth for each ebook if they were bought separately.

An efficient technique for determining a worth is to ship out a survey to your current customers. If these customers have already purchased an e book from you, ask for their opinion in terms of price. Do that by making a gross sales web page for the brand new e book, however do not embody a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a number of duplicate gross sales pages with totally different prices on every page. Be sure that your sales copy is strictly the identical on each page, and consists of your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum value is.

Finally, for those who've written a ebook that solves a drawback or presents a brand new method, your book will usher in both visitors and profits.
