price. Do this by making a gross sales web page for the brand new ebook, but don't embrace a worth on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with completely different prices on each page. Make sure that your gross sales copy is precisely the similar on each web page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum value is.

Ultimately, in case you've written a guide that solves a problem or presents a new method, your ebook will bring in both traffic and profits.
