As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with different prices on every page. Make sure your sales copy is precisely the similar on each page, and

includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum worth is.

In the end, if you've written a e book that solves a downside or presents a brand new method, your book will usher in both traffic and profits.
