Begin on the highest price the market will bear to usher in the largest profits, and plan to discount the e book a variety of instances throughout the year.

## Advertising Methods

The key that unlocks the gross sales potential of your e book is to find a single sentence that becomes your selling handle. This sentence states what query or problem your e book answers and the advantages your book can provide. Then be sure to use that sentence in each piece of gross sales and promotional material, and every time anybody asks you about your ebook.

In addition to promoting your books assiduously on-line, there are a number of other methods that can make it easier to promote extra books.

One is to present something away for free together with your book, such as a helpful bonus item. Or bundle several ebooks underneath one worth, which lowers the worth for each ebook if they were offered separately.

An efficient approach for determining a price is to send out a survey to your present customers. If these prospects have already purchased an e-book from you, ask for their opinion in terms of price. Do this by making a sales web page for the brand new ebook, but don't include a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with different costs on every page. Make certain your gross sales copy is strictly the same on every web page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum worth is.

Finally, in case you've written a e book that solves a problem or presents a new technique, your e book will usher in both site visitors and profits. So make sure to write that selling-deal with sentence that sums up what drawback your book solves and what the benefits of your 448 e-book will probably be to the purchasers who purchase it.
