Do this by creating a gross sales web page for the new book, however do not embrace a value on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with different costs on every page. Make certain your gross sales copy is precisely the identical on

every web page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum value is.
