If these customers have already purchased an book from you, ask for their opinion when it comes to price. Do that by creating a sales web page for the brand new e-book, however do not embrace a price on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

identical on each web page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum price is.

In the end, when you've written a book that solves a drawback or presents a new method, your e book will usher in each traffic and profits.
