If these prospects have already purchased an e-book from you, ask for his or her opinion in terms of price. Do this by creating a sales web page for the new e-book, however do not include a price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Be certain your gross sales copy is exactly the same on each

page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and sales of your book. This may tell you what your optimum worth is.

Ultimately, if you've written a e-book that solves a problem or presents a new method, your guide will bring in each visitors and profits. So be sure to write that promoting-handle sentence that sums up what downside your guide solves and what the advantages of your 561 guide will likely be to the purchasers who purchase it.
