Another strategy is to check out prices by making a number of duplicate gross sales pages with

different costs on every page. Be certain that your sales copy is strictly the same on each page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum value is.

Finally, when you've written a e-book that solves a problem or presents a brand new approach, your guide will usher in each visitors and profits. So you should definitely write that selling-handle sentence that sums up what problem your e book solves and what the advantages of your 563 e book shall be to the shoppers who purchase it.
