If these clients have already purchased an e book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the brand new e book, but do not include a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with completely different costs on each page. Ensure that your sales copy is strictly the same on every

page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum value is.

Finally, if you happen to've written a ebook that solves a downside or presents a brand new technique, your ebook will herald both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your e book solves and what the benefits of your 643 book shall be to the customers who purchase it.
