Do this by making a gross sales web page for the brand new ebook, however don't embody a worth on that page. Instead, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with completely different prices on each page. Make sure that your sales copy is strictly the same on each page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum value is.

In the end, if you've written a guide that solves a problem or presents a new method, your guide will usher in both traffic and profits.
