Do this by creating a gross sales page for the new guide, however don't embrace a worth on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with completely different costs on each page. Make sure your gross sales copy is strictly the identical on every page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum price is.

In the end, if you happen to've written a book that solves a problem or presents a brand new approach, your e book will bring in both traffic and profits.
