An efficient approach for figuring out a worth is to send out a survey to your current customers. If these customers have already bought an book from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new e book, however don't embrace a value on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with different costs on each page. Make certain your gross sales copy is strictly the same on each web page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum worth is.

In the end, for those who've written a e book that solves a downside or presents a brand new method, your guide will herald each site visitors and profits.
