that by making a gross sales web page for the brand new guide, but do not include a worth on that page. As a substitute, add numerous links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out costs by making a number of duplicate gross sales pages with different prices on every page. Make sure your sales copy is exactly the same on every web page, and includes your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. It will inform you what your optimum worth is.

Ultimately, when you've written a ebook that solves a downside or presents a new technique, your ebook will herald both visitors and profits.
